Mr. Bidwill is entering his 44th year with the Cardinals. He began working for the team as a child learning every aspect of the organization and is now serving as president of the company in a full-time capacity.

The 55-year-old native of Chicago takes great pride in his involvement in the oldest continuous professional football franchise in the nation which dates back to 1898. In 1920, the team became one of two charter members of the National Football League along with the Chicago Bears.

The Bidwill family purchased the club in 1932 with Charles Bidwill, Bill's father and a member of the Pro Football Hall of Fame, serving as president until his death in 1947. Over the next 15 years, Mrs. Violet Bidwill assumed control, overseeing the team's move to St. Louis in 1960. In 1962, Bill along with his brother, Charles Bidwill, Jr., assumed control of the team until Bill became the club's sole owner in 1972.

Mr. Bidwill is involved in all areas of the Cardinal organization, and remains continuously involved in the support of various civic and charitable organizations.

A graduate of Georgetown University and a Navy veteran, Bill and his wife Nancy have four sons, William, Jr., Michael, Patrick, and Timothy, and a daughter, Nicole.

LARRY WILSON

Director of Pro Personnel

Larry Wilson, a member of the Pro Football Hall of Fame and the Cardinals' all-time interception leader, enters his 12th season as Director of Pro Personnel.

The 50-year-old Wilson holds the distinction of working for the Cardinals in each season since 1960. His 29-year NFL career includes 13 seasons (1960-72) as a standout defensive back, four years (1973-76) as the organization's Director of Pro Scouting, and now 12 years (1977-88) as Director of Pro Personnel.

As a player, Wilson reached near-legendary status as a six-time All-Pro and eight-time Pro Bowl performer at free safety. He still owns the club record for most career interceptions with 52. In 1966, he enjoyed one of his finest seasons with a NFL-leading 10 interceptions while tying a league record by intercepting a pass in seven consecutive games.

One of only four players to have their Cardinals' jersey retired, Wilson was inducted into the Pro Football Hall of Fame in January, 1978.

Ironically, Wilson was drafted in the seventh round as a running back from the University of

Utah in 1960. However, due to injuries on the team, he was switched to cornerback and then finally to free safety. Along with former coach Chuck Drulis, he innovated one of today's most potent defensive plays — the safety blitz.

Born in Rigby, Idaho, Wilson and his wife, Nancy, make Scottsdale, Arizona their home.

**GENE STALLINGS****Head Coach**

Gene Stallings, the architect behind a rebuilding program that has elevated the Cardinals into 1988 NFL playoff contention, begins his third season as the club's head coach.

A disciple of two of the greatest football coaches of all-time, Stallings previously served 12 years (1953-64) as a player or coach under Paul "Bear" Bryant at Texas A&M and Alabama, and another 14 seasons (1972-85) as a Dallas Cowboys assistant under Tom Landry.

Although a 21-16 loss at Dallas in the 1987 season finale deprived St. Louis of its first playoff berth in five years, Stallings' club regained respectability last year. Their seven victories (7-8) were the most by a Cardinals team since 1984, winning three straight road games for the first time since 1982. In addition, the club beat the defending Super Bowl champion New York Giants, 27-24, in their home season finale Dec. 13. The Cards' offense ranked sixth among NFL teams, averaging 355.1 yards and 24.1 points per contest.

In his rookie 1986 campaign, an injury-riddled St. Louis club endured a 4-11-1 record. Never-

theless, the Cardinals were considered one of the League's stingiest defenses, ranking first against the pass (164.8) and fourth overall (304.0).

While his two-year ledger in St. Louis was 11-19-1, Stallings has unquestionably transformed the Cardinals into a competitive unit. That point is best illustrated by the fact that 11 of those 19 losses have been decided by seven points or less.

During his Dallas tenure, Stallings was a driving force behind the Cowboys' winning tradition. He was associated with 13 playoff clubs there, including Cowboys' squads that won seven divisional flags (1973-76-77-78-79-81-85), three conference championships (1975-77-78) and one Super Bowl title (1977). Serving as defensive backfield coach, Stallings was a member of Landry's staff in Super Bowls X, XII and XIII.

The Paris, Texas native was praised for his ability to develop Cowboy free agents and low-round draft choices into top-flight NFL players. Most notably, Stallings honed the skills of four Cowboys' All-Pros — Cliff Harris, Charlie Waters, Everson Walls and Michael Downs. Harris, Walls and Downs were free agents, while Waters, a third-round draft choice, was a converted college quarterback and receiver.

The 53-year-old Stallings joined the Cowboys in 1972 following seven years (1965-72) as head coach of his alma mater, Texas A&M. He directed the Aggies to a 24-45-1 record during that tumultuous Vietnam War period, with his crowning moment a 20-16 victory over Bryant's Alabama club in the 1968 Cotton Bowl. During that 1967 regular season, Stallings directed A&M to seven straight victories to overcome a 0-4 start and win the Southwest Conference championship.

As a player, Stallings was an All-Southwest Conference receiver at Texas A&M under coach Bryant and a tri-captain on the Aggies' undefeated 1956 team. He was one of the "Junction Boys," who survived Bryant's storied training camp in 1954. That Aggie squad lived in quonset huts during pre-season camp, practicing day and night in the sweltering heat of Junction, Texas.

"We weren't there weeks, it was just days," recalled Stallings with a smile. "Ten days. Been any longer and there wouldn't have been anybody left. We went out there in two buses and came back in one."

In 1960, Stallings authored "Bear Bryant on Winning Football," a technical football book about Bryant's coaching philosophies. And more recently, he served as a technical consultant to director Larry Spangler in the movie, "Bear," the life story of coach Bryant starring screen star Gary Busey. Stallings was particularly instrumental in the Junction training camp scenes of the movie.

Earning a bachelor's degree in physical education at Texas A&M in 1957, the Cardinal mentor began his coaching career as an Aggie student assistant. He served one year there before moving with Bryant to Alabama as a full-time assistant in 1958. He remained in Tuscaloosa, Ala. until returning to A&M as a 29-year-old head coach in 1965.

His years under Bryant's tutelage have left a lasting impression on Stallings, as reflected by this comment at his introductory news conference with the St. Louis media in February, 1985:

"I'm sorry Coach Bryant couldn't be here. I know somewhere he's smiling."

A man with deep Texas roots, Stallings was honored by his hometown of Paris (26,000 pop.) in his very first game as a NFL head coach. Stallings and New England Patriots' head coach Raymond Berry — both products of Paris — were presented achievement plaques from city officials in pre-game ceremonies at the 1986 Hall of Fame game in Canton, Ohio. Billboards in Paris proclaimed the Cardinals-Patriots game as "The Great Paris Shootout."

Both Stallings (1950-52) and Berry (1948-49) played varsity football at Paris High School, where Berry's father, Raymond Sr., was the legendary head coach.

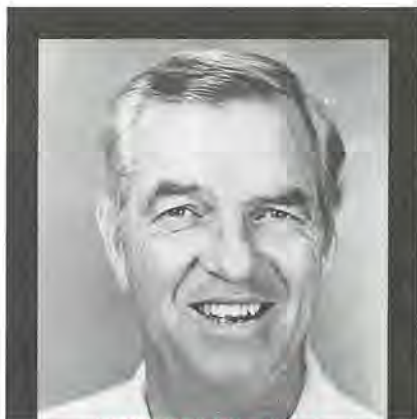

Stallings, who owns a 600-acre ranch called "Hike Away" just north of the Paris city limits, has been heavily involved in community and charity work for several years.

In St. Louis, he served as co-chairman of Multiple Sclerosis and was a Special Olympics and Red Cross volunteer. He spent countless hours visiting local hospitals and institutions for mentally-retarded children, and was a fund-raiser for disadvantaged children's homes. Additionally, Stallings has made numerous speaking appearances at PTA and church groups, Boys Clubs, Boy Scouts, Girl Scouts and high school banquets.

Stallings was elected to the Texas A&M Hall of Fame in 1982, and has also received the 1982 National Boys Club's Alumni of the Year Award and 1983 Dallas Father of the Year Award.

He currently serves on the board of directors of First National Bank in Paris, and Landmark Bank in St. Louis.

Born March 2, 1935, Gene and his wife, Ruth Ann, have one son, John Mark (26), and four daughters — Anna Lee (30), Laurie (29), Jacklyn (24) and Martha Kate (18). The Stallings reside in Paradise Valley, Arizona.

**JIM SHOFNER****Offensive Coordinator**

Jim Shofner, one of professional football's most experienced and versatile coaches, enters his third autumn as the Cardinals' offensive coordinator.

Shofner brings 18 years of National Football League coaching experience to the club, including stops in San Francisco (1967-74 and 1977), Cleveland (1978-80), Houston (1981-82) and Dallas (1983-85).

His masterful work was clearly evident last season, as the Cardinals' offense ranked sixth among NFL teams in both passing yardage (230.2) and overall yardage (355.1). In addition, the club averaged 24.1 points per game, a quantum leap from their NFL-low 13.6 points per game in 1986. Further illustrating their consistency, the Cards scored three touchdowns or more in 12 of their 15 games last year. Under his tutelage, J.T. Smith led the NFL in both receptions (91) and receiving yardage (1,117), while Neil Lomax passed for a League-high 3,387 yards.

A native of Grapevine, Texas, Shofner played both football and baseball at Texas Christian Uni-

versity. He was an All-Southwest Conference running back and defensive back for TCU, playing in the 1957 East-West Shrine Game and College All-Star Game (vs. the Detroit Lions).

Following his graduation, Shofner declined an offer to play professional baseball with the Detroit Tigers, instead logging six years as a defensive back with the Cleveland Browns from 1958-63. The next season, he began his coaching career as an assistant at TCU. After three college seasons, he joined the pro ranks with the 49ers in 1967.

Shofner spent seven seasons in San Francisco, working in various capacities with defensive backs, quarterbacks and receivers. He returned to his alma mater, TCU, in 1974 as head coach. Three years later, Shofner had a brief one-season reunion with the 49ers as defensive backs coach. Then in 1978, he moved to Cleveland, where he handled the quarterbacks coaching duties for the Browns until 1980. He was named offensive coordinator of the Houston Oilers the following season and worked two years with head coach Ed Biles before joining the Cowboys in 1983 as quarterbacks coach.

Born Dec. 18, 1935, Shofner and his wife, Nancy, have two children — Mike (25) and Elizabeth (22).

MARV BRADEN

Special Teams

Marv Braden, a 12-year veteran of NFL coaching, begins his third season as the Cardinals' special teams coach.

Braden arrived in St. Louis after a five-year tenure with the San Diego Chargers, where he served as special offensive assistant and special teams coordinator. Previously, Braden logged four seasons as the Denver Broncos' special teams coach from 1977-80.

In two previous seasons with the Cardinals, he has made a dramatic impact on the club's special teams. In 1986, the Cardinals ranked first in punt returns (11.7) and third in both kickoff returns (22.1) and kickoff coverage (17.7) among NFL teams. And last season, the Cards ranked first in punt returns (12.5), tied for second in kickoff returns (20.9) and finished third in kickoff coverage (18.0) in the League. In addition, punt/kick-off return specialist Vai Sikahema and special teams standout Ron Wolfley have both earned Pro Bowl honors the past two seasons.

A 1960 graduate of Southwest Missouri State, Braden launched his coaching career as a graduate assistant at Missouri (1961-62). After three

years as defensive coordinator at Parsons College (Iowa), he received his first head coaching appointment at Northeast Missouri State in 1967. During two seasons at Northeast Missouri State, Braden etched a 13-7-1 record.

His next stop was California Western (now U.S. International), where he registered a 26-12-1 mark as head coach from 1969-72. Braden moved to Iowa State in 1973 as defensive coordinator, served as offensive coordinator at SMU from 1974-75, and then joined Michigan State in the same capacity in 1976. The following year, he entered the professional ranks in Denver.

Among his coaching highlights have been appearances in Super Bowl XII, the 1980 and 1983 Senior Bowls, 1961 Gator Bowl, 1965 Pecan Bowl and 1972 Mercy Bowl. He has been very active with numerous clinics and speaking engagements, and has had several pieces of his writing published in motivational and instructional publications. Braden also is involved with the Fellowship of Christian Athletes.

Born Jan. 25, 1938 in Kansas City, Mo., Braden and his wife have one daughter, Janice (27).

LEBARON CARUTHERS

Strength and Conditioning

and Explosion. Last year he participated in a two-week tour of the U.S.S.R. in the East German and Soviet Science of Strength and Conditioning Course. He becomes only the second NFL coach (Johnny Parker – N.Y. Giants) to study in the Soviet Union and apply those principles to professional football.

Born April 20, 1954, LeBaron and his wife, Kim, have a one-year-old son, Chase.

LeBaron Caruthers enters his third season with the Big Red as strength and conditioning coach.

Caruthers, a native of Nashville, Tenn., previously served as strength and conditioning coach with the New England Patriots (1982-84) and Southern Methodist (1981). He took a one-year sabbatical in 1985, when he attended the University of Tampa to pursue a master's degree in physical education.

The 34-year-old Caruthers played offensive tackle at East Carolina in 1972 before transferring to North Carolina State, where he became a two-time track and field All-American in the shot put.

Following graduation, he was named assistant track coach at Auburn. Caruthers served in that capacity for two seasons (1978-79), along with directing the weightlifting programs of both the men's and women's track teams there.

While at SMU, Caruthers was the Texas superheavyweight division Olympic lifting champion in 1980 and 1981. He is currently a member of the National Strength Coaches Association and National Association of Speed

TOM BRESNAHAN

Offensive Line

Tom Bresnahan, who begins his third campaign with the Cardinals as offensive line coach, offers 30 years of coaching experience on the pro, college and high school levels to Stallings' staff.

Led by 1987 Pro Bowl tackle Luis Sharpe, Bresnahan's line was a vital cog in the Cardinals' No. 6 ranking among NFL offenses last season.

Bresnahan, 53, previously held assistant posts with the Kansas City Chiefs (1981-82) and New York Giants (1983-84). The Springfield, Mass. native entered the restaurant business in Moultonboro, N.H., for one year in 1985.

While in Kansas City, Bresnahan contributed to the Chiefs' first winning season (9-7) in eight years. That 1981 club ranked second in rushing among NFL teams. Bresnahan's coaching abilities were also evident in New York, where the Giants advanced to the NFC Championship Game in 1984.

Prior to his involvement in the pro ranks, Bresnahan served as offensive line coach at Navy (1973-80) and Columbia (1968-73), and both offensive and defensive line coach at Williams College (1963-68). During his stint at Navy, the

Midshipmen appeared in the 1978 Holiday Bowl and 1980 Garden State Bowl, and posted a cumulative record of 24-11 in his final three seasons.

He also stamped his mark at Columbia, where the Lions' 6-2-1 record in 1971 was the best in 10 years and has not been equaled since.

Bresnahan played collegiate football at Holy Cross, receiving cum laude honors in economics and philosophy with a bachelor's degree in 1956. He earned a master's in education from Springfield (Mass.) College in 1960.

His coaching career began as line coach at Cathedral High School (Springfield, Mass.) in 1956, followed by line coaching duties for the Fort Dix (N.J.) Interservice Team in 1957-59 and Holyoke (Mass.) High School in 1959-61. He also served as head coach at Drury High School in North Adams, Mass. from 1961-63.

Born Jan. 21, 1935, Bresnahan and his wife, Elaine, have three sons — Thomas (30), Charles (28) and Daniel (24) — and a daughter, Denise (19).

JIM JOHNSON

Defensive Line

seasons with the Buffalo Bills in 1963-64. He launched his coaching career at Joplin (Mo.) High School in 1965. After two seasons at Joplin, Johnson was named head coach at Missouri Southern College in 1967. He later served four-year college tenures at Drake (1969-72) and Indiana (1973-76) as defensive coordinator and linebacker coach.

In all, Johnson coached in six bowl games — 1971 Pecan, 1972 Pioneer, 1977 and 1978 Cotton, 1980 Sugar and 1982 Liberty.

Born May 26, 1941 in Maywood, Ill., Johnson earned a bachelor's degree in education and a master's in physical education at Missouri. He and his wife, Vicky, have two children, Scott (23) and Michelle (19).

Jim Johnson, a 21-year veteran of coaching on the professional and collegiate levels of football, joined Stallings' staff as defensive line coach in 1986.

Previously, Johnson had one-year stints at Jacksonville (1985) and Oklahoma (1984) in the USFL, and served seven years on the Notre Dame coaching staff. He joined the Fighting Irish as secondary coach in 1977 when the school claimed the National Championship.

In 1981 under head coach Gerry Faust, Johnson was promoted to defensive coordinator, and then to assistant head coach in 1983. In 1980, his defenders ranked fifth nationally in scoring defense, while his 1982 and 1983 clubs finished 10th and 14th, respectively, in NCAA total defense.

An All-Big Eight quarterback and team most valuable player at Missouri in 1962, Johnson played in three post-season games — the 1960 Orange Bowl, and 1962 Bluebonnet Bowl and East-West Shrine Game. He was named the Bluebonnet Bowl's MVP.

Following his college days, Johnson played two

HANK KUHLMANN

Running Backs

Hank Kuhlmann, whose coaching career spans 25 years including previous NFL stops with Green Bay and Chicago, begins his third season as the Cardinals' running backs coach.

The 50-year-old Kuhlmann has strong roots in the state of Missouri. A native of Webster Groves, Mo., he received his bachelor's and master's degrees in physical education from the University of Missouri before playing four years as a catcher in the St. Louis Baseball Cardinals organization from 1959-62.

Following his stint in baseball, Kuhlmann returned to his alma mater to serve for three years (1963-65) as Missouri's freshman football coach. In 1966, he was promoted to running backs coach, contributing to Tigers' teams that appeared in the 1968 Gator Bowl and 1969 Orange Bowl.

Kuhlmann joined the professional ranks as Green Bay's special teams coach in 1972, the season the Packers won the NFC Central Division championship. Then in 1975, he followed Packers' head coach Dan Devine to Notre Dame, assuming running backs and special teams du-

ties for the Fighting Irish. Kuhlmann's stay in South Bend was highlighted by a national championship and Cotton Bowl title in 1977, and an appearance in the 1976 Gator Bowl.

After three seasons at Notre Dame, he returned to the NFL as running backs and special teams coach for the Chicago Bears. With Kuhlmann honing the exceptional skills of Walter Payton, the Bears gained a wild-card playoff berth in 1979.

In 1983, he became assistant head coach with the Birmingham Stallions, coordinating the offense and serving as running backs and special teams coach. Under his tutelage, Birmingham led the USFL in rushing in both 1983 and 1984. In addition, the Stallions won the 1984 Southern Division championship and 1985 Eastern Conference crown.

Born Oct. 6, 1937, Hank and his wife, Donna, have two children, Jeff (18) and Tracey (11).

LEON McLAUGHLIN

Special Asst/Quality Control

Leon McLaughlin, a 26-year coaching veteran of professional and college football, serves coach Stallings as the Cardinals' special assistant/quality control coach.

McLaughlin, who originally joined the organization in 1978, handled a similar assignment for former Cardinal head coaches Bud Wilkinson and Jim Hanifan. His duties include assessing the opponents' tendencies and personnel as well as breaking down game video and scouting the team's upcoming opponent.

A native of San Diego, Calif., McLaughlin began his collegiate coaching career at Washington State in 1956. He coached high school football in 1957 and 1958 before moving to Stanford where he coached from 1959-65.

McLaughlin entered the pro arena with the Pittsburgh Steelers, where he coached from 1966-68. In 1969, he accepted the head coaching job at San Fernando State (now Cal State Northridge), where he remained for three years. He then joined the Los Angeles Rams in 1972 as an assistant coach, followed by brief stints at Detroit (1973-74), Green Bay (1975-76) and New England (1977) before arriving in St. Louis.

As a player, McLaughlin performed five seasons at center for the Rams (1951-55), and starred at UCLA as both a linebacker and center from 1946-49.

Born May 30, 1925, McLaughlin and his wife, Sue, have two daughters and five sons.

MAL MOORE

Receivers

Mal Moore, a highly-successful college coach at Alabama and Notre Dame, enters his third professional season as receivers coach for the Cardinals.

Moore, 48, joined the Cardinals after serving as Notre Dame's assistant head coach to Gerry Faust from 1984-85 and offensive backfield coach from 1983-85.

Previously, he was an assistant on Paul "Bear" Bryant's staff at Alabama from 1964-82, first as a graduate assistant (1964), then as defensive backfield coach (1965-70), quarterbacks coach (1971-82), and offensive coordinator (1975-82). During his long association with the Crimson Tide, the team won 11 Southeastern Conference titles and five National Championships.

Moore, who holds the distinction of coaching in a post-season bowl game for 21 consecutive seasons (19 at Alabama, two at Notre Dame), tutored several future professionals during his college career. A veteran of 21 years of coaching, Pascale joined Stallings' staff after serving as defensive backs coach for the USFL's New Jersey Generals from 1984-85. Prior to his USFL tenure, Pascale held assistant positions in the Canadian Football League.

He served two seasons with the Ottawa Rough Riders, handling the defensive line in 1982, and quarterbacks and receivers in 1983. Previously, he was employed by the Montreal Alouettes, working as defensive line coach and player personnel director in 1980, and then promoted to defensive coordinator in 1981 when he also assumed the defensive line and special teams duties.

The 42-year-old Pascale entered the coaching field in 1967 as a graduate assistant at the University of Connecticut, where he starred as an All-East linebacker as a senior. After two seasons as an assistant coach for UConn's freshmen team, Pascale moved to the University of Rhode

Island in 1970. He coached four years at Rhode Island, overseeing the linebackers for one season, and serving as defensive coordinator and secondary coach from 1971-73.

Pascale accepted a job at Idaho State with similar coordinator responsibilities in 1974, and was then appointed the Bengals' head coach in 1976. The following year, he moved to Princeton, spending one season as linebacker coach and two campaigns as defensive coordinator and secondary coach.

In his 21 years of coaching, Pascale has spent 19 as a defensive coach. During his tenure with the Generals, the team advanced to the USFL playoffs both years with records of 11-7 in 1985 and 14-4 in 1984. In fact, Pascale came to the Cardinals having been associated with playoff teams in each of his previous six seasons in professional football.

A native of New York City, he earned bachelor's and master's degrees in education at Connecticut, and completed an advanced graduate curriculum in education administration at UConn as well.

He appeared in all 16 games in his only campaign with the club, and finished his career without missing a game in nine seasons and 137 games.

Selected by Dallas in the 11th round of the 1978 draft, Thurman started 57 consecutive games for the Cowboys from 1980-83 at cornerback and free safety, then was utilized as a situational specialist through his final season as a player. In 1985, the Cowboys' defensive backs were dubbed "Thurman's Thieves" by quarterback Danny White, as they combined for 33 interceptions including five by Thurman.

A football quarterback, basketball and baseball star at Santa Monica High in his native Los Angeles, Thurman was recruited by Major League

baseball teams and college basketball programs before accepting a college football scholarship to USC. A two-time consensus All-America safety with the Trojans, Thurman intercepted passes in seven straight games enroute to leading the nation in interception yardage in 1976. He has been called one of the last great "triple-threat" stars in professional football, having excelled as an all-purpose offensive and defensive back for the Brooklyn Dodgers (1937-41), Boston Yanks, (1945) and the New York Yankees (1946 in All-American Football Conference).

As a member of the Brooklyn Dodgers, Parker played in the first televised professional football game ever on Oct. 22, 1939 against Philadelphia. He completed a touchdown pass in the 23-14 Dodgers' victory.

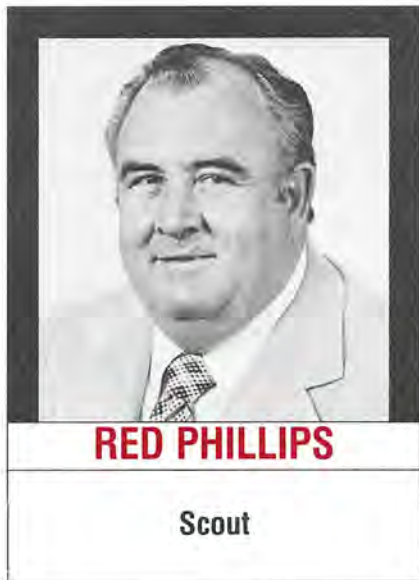

An All-America tailback at Duke in 1936, Parker was Brooklyn's first draft choice the following year. However, he did not report to the Dodgers until midway through the football season because of a contractual commitment with baseball's Philadelphia Athletics. to reject a baseball contract with the Pittsburgh Pirates.

In 1940, he was named the NFL's Most Valuable Player, but service duty interrupted his football career the following year. PRO CAREER: Gifted athlete who's finally found a home at cornerback ... Had been shuttled between defensive back and wide receiver during past three seasons ... First switched from DB to wide receiver at 1984 training camp, remaining there through begin-

ning of '85 season ... Was moved back to cornerback when Lionel Washington fractured his ankle vs. Cincinnati (9/15/85), starting final 14 games ... Has caught six passes for 77 yards in his career, including five for 61 yards in '84 ... Utilized at both wide receiver and cornerback in early 1986 season due to injury status of Roy Green and Pat Tilley ... **1987:** Stacked up 32 tackles, two interceptions, two forced fumbles, recovered two more, and batted away nine passes ... Started 10 games, missing two contests with ankle sprain ... Made juggling interception vs. San Diego (9/20) that set up Cardinals' first score ... Though he did not register a tackle, credited with three pass defenses vs. Tampa Bay (11/8) in Cards' 31-28 miracle comeback win ... Turned

in impressive game vs. Atlanta (11/29), forcing fumble to set up touchdown ... However, suffered severe ankle sprain in Falcon tilt, sidelining him for two games ... Returned to action in tremendous form vs. Tampa Bay (12/20) as he piled up three stops, two fumble recoveries, an interception, and two pass defenses in 31-14 victory ... Racked up six stops in season finale vs. Dallas (12/27) ... Logged additional play on punt return unit, as he was assigned to opponents' "Gunner" or "Hawk" wide outs ... **1986:** His club-leading four interceptions came in pairs vs. Kansas City (11/23) and Tampa Bay (12/21) ... Pocketed 33 tackles and 13 pass defenses during campaign ... Started last five games despite wearing harness for dislocated left shoulder sustained vs. Washington (10/21) ... Underwent successful off-season surgery to repair shoulder ... Made spectacular diving play to knock down sure TD catch that would have tied game in fourth quarter of 30-19 win at Tampa Bay (10/12) ... Also produced game-saving tackle of Gregg Garrity on two-yard line as time expired in Cardinal 13-10 win vs. Philadelphia (11/2) ... **1985:** Entered training camp as wide receiver and remained there through start of season ... Summoned back to defense in Week Three when Lionel Washington broke ankle vs. Cincinnati (9/15) ... Caught one pass for 16 yards vs. Cincinnati, the last pass he's snared since his conversion to defense ... **1984:** Converted to wide receiver, a move prompted by his fine speed, good hands and fact that team was relatively deep at corner position ... Caught five passes in limited action as third receiver in passing situations ... Reeled in two passes for 31 yards vs. Buffalo (9/9) ... Suffered separated shoulder vs. New Orleans (9/23) that forced him on Injured Reserve for four weeks ... Upon his return to lineup, a sprained thumb hampered his effectiveness as he caught just three passes the rest of the season ... Also registered five tackles on special teams duty ... **1983:** Was thrust into starting role for first five games of season when starter Jeff Griffin sustained preseason injury ... Answered bell with 51 tackles, three interceptions and 11 passes defended ... Chalked up six tackles and one pass defended in first NFL start (New Orleans 9/14) ... INSTANT REPLAY APPROVED FOR 1988

For the third consecutive year, NFL clubs have approved a limited system of Instant Replay on a one-year basis.

The system basically stays the same as in 1987 with the exception that the Replay Official will now be assigned to a regular officiating crew and will attend crew meetings the day before each game. League office personnel will no longer be used as Replay Officials. In 1987, there were 490 plays closely reviewed (defined as a contact to the field, but not necessarily stoppage of play). There were 57 reversals in 210 games for an average of one reversal in each four games. In 1986, there were 374 plays closely reviewed resulting in 38 reversals in 224 games.

In 1986, the system was approved by a 23-4-1 vote. In 1987, the vote was 21-7. In 1988, replay was cleared by a 23-5 margin.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks—an independent system using cameras, replay machines, and technicians separate from the network covering the game, and a "no frills" approach using existing television coverage.

In 1985, the NFL used the network feed of nine nationally televised preseason games to experiment with the basic system that later was adopted for 1986 and 1987. A total of 28 plays were examined closely in 1985 (17 confirmed call, 4 were inconclusive, 1 was reversed, and 6 had no replay shown).

What is the objective of this system?

The clubs feel that on certain plays the telecast viewed by the general public should be used to correct an indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has *indisputable visual evidence* available to him that warrants the change.

Is the television network carrying the game part of the review process?

No. Although the Replay Official will be viewing the live network feed, there is no communication to television personnel as to what

plays to show or not to show.

What is the step-by-step procedure of play review?

The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other monitor continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

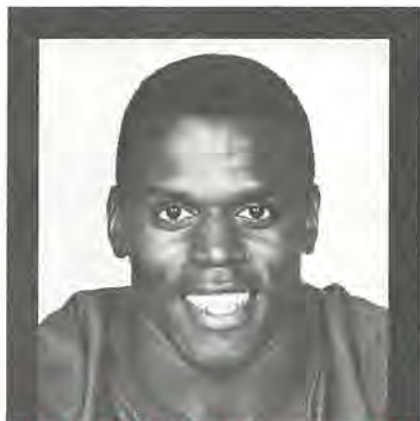

If the Replay Official believes an error may have been made, the Umpire will be contacted via a headset.

The Replay Official will watch replay(s) on one or both monitors and complete his review within a reasonable period after the play is over.

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.

The limited Instant Replay system concentrates on plays of possession or touching (e.g., fumbles, receptions, interceptions, muffs) and most plays governed by the sidelines, goal lines, end lines, and line of scrimmage (e.g., receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line).

However, the Instant Replay system will *not* include the following fouls: clipping; encroachment and offsides; grasp of facemask; false start; defensive pass interference; offensive pass interference; offensive holding and illegal use of hands; illegal batting or punching ball; illegal block on free kick or scrimmage kick; illegal crackback; illegal motion; illegal use of forearm or elbow; illegal use of hands by defense; illegally kicking the ball; illegally snapping the ball; intentional grounding; member of the punting team downfield early; illegal formation; palpably unfair act; piling on; roughing the passer; running into or roughing the kicker; striking, kicking, or kneeing; unnecessary roughness; unsportsmanlike conduct; and use of the helmet as a weapon.

The Football Cardinals, a charter member of the National Football League, boast the distinction of being the oldest continuously run professional football franchise in the nation.

Reflecting the rich tradition of the franchise, 12 members of the Cardinals have been enshrined in the Pro Football Hall of Fame. They are Charles Bidwill, Guy Chamberlin, Jimmy Conzelman, Paddy Driscoll, Walt Kiesling, Curley Lambeau, Dick "Night Train" Lane, Ollie Matson, Ernie Nevers, Jim Thorpe, Charley Trippi and Larry Wilson. Wilson was the most recent selection in 1978.

Founded by the late Chris O'Brien in 1898, the team began as a group which gathered to play football on Chicago's south side. The team gained longstanding identification when O'Brien, finding a bargain, bought used jerseys from the University of Chicago.

The jerseys were faded maroon in color, prompting O'Brien to declare: "That's not maroon, it's Cardinal red!" And with that statement, the club's permanent nickname was born.

With their popularity growing in the Chicago area, the Cardinals eventually became one of 11 charter members of the American Professional Football League (forerunner of the NFL) in 1920. Under new head coach Norman Barry, the Cardinals outdistanced a field of 20 teams to win their first NFL championship in 1925.

A Chicago dentist, Dr. David Jones, purchased the team in 1929. In his very first year of ownership, he coaxed running back Nevers out of retirement to become player-coach. Still in his prime, the 26-year-old Nevers scored 40 points on six touchdowns and four extra points in an historic 40-6 win over the Bears on Thanksgiving Day in 1929. After guiding the Cardinals to a 16-14-3 record in three seasons, the legendary Nevers retired as both coach and player in 1932.

Nevers' departure also marked the arrival of a new club owner. Charles W. Bidwill, Sr., a vice president of the Chicago Bears, purchased the Cardinals for Jones' asking price of \$50,000. Bidwill divested himself of his Bears' holdings, as a new Cardinals' era began.

However, the team sorely missed Nevers' magic on the field. The Cardinals endured difficult years in the 1930's and early 1940's before success was finally realized in 1947. Coached by Jim Conzelman and featuring a "dream backfield" of Paul Christman, Marshall Goldberg, Pat Harder and Charley Trippi, the Cardinals stormed to the Western Division title and a 28-21 victory over the Philadelphia Eagles in the NFL Championship Game that year.

But the 1947 championship season was bittersweet for the Cardinals' organization, as the April death of Bidwill deprived the owner of witnessing the club's first NFL crown in 22 years. With his passing, Bidwill's widow, Violet, assumed control of the franchise.

Upon Mrs. Bidwill's death 15 years later, control moved to sons Charles W. Bidwill, Jr. and William V. Bidwill.

In 1972, William Bidwill and his family gained sole ownership, with William becoming managing general partner. On July 1, 1979, incorporation of the company was accomplished with Bidwill continuing as chief executive officer.

After 14 years in the city, the Cardinals brought their first championship to St. Louis in 1974. The Big Red captured the NFC Eastern Division flag under head coach Don Coryell and advanced to the playoffs with a 10-4 record. However, the Cardinals lost to the Minnesota Vikings, 30-14, in their first playoff appearance since 1948.

Again in 1975, Coryell provided St. Louis with a division title but another playoff loss, this time to the Rams in Los Angeles, 35-23.

The Cardinals next appeared in the playoffs in 1982, when coach Jim Hanifan's club lost a first-round game at Green Bay, 41-16. In 1984, an offensively explosive St. Louis team narrowly missed the playoffs — and the NFC East title — with a 9-7 record. However, the Cardinals stumbled to a 5-11 mark in 1985, prompting Hanifan's dismissal and the hiring of long-time Dallas Cowboys' assistant Gene Stallings as the team's new head coach.

After 28 years in St. Louis, the Cardinals relocated to Arizona in the spring of 1988 and made Sun Devil Stadium on the campus of Arizona State University their new home.

St. Louis 24 - Dallas 13

Riding the last-minute heroics of Neil Lomax and Roy Green, the Cardinals rallied from a 13-3 deficit to pin the Cowboys with only their second season-opening loss in the past 23 years. St. Louis unleashed a three-touchdown barrage in the game's final two minutes, with Lomax rifling TD bullets of 16 and 22 yards to Green in claiming a 17-13 edge with 53 seconds left. Earl Ferrell sealed the victory with a 15-yard scoring burst 34 seconds later. With defensive ends Curtis Greer (three sacks) and Colin Scotts (two) leading the charge, the Cards feasted on Dallas quarterback Danny White for eight sacks. And St. Louis' starting secondary accounted for 34 tackles, with strong safety Leonard Smith pounding out a team-high 12.

San Diego 28 - St. Louis 24

The Cardinals came within a whisker of overhauling San Diego in a gut-churning 28-24 loss. After spotting the Chargers a 28-0 cushion at intermission, the Cards roared back with 24 unanswered points in the final half. Neil Lomax, who obliterated the club's single-game record for attempts (61) in completing 32 passes for 457 yards and three touchdowns, drove St. Louis to the Chargers' five-yard line with 32 seconds left. But four straight incompletions — the final one a dropped pass by fullback Earl Ferrell that had winning touchdown written all over it — pulled the plug on a remarkable comeback bid. In the most productive offensive display since Dec. 16, 1984 (29-27 loss at Washington), the Cardinals cranked out 471 total yards and 412 net passing yards in defeat.

Saddled with a 28-14 fourth-quarter deficit, the Cardinals stormed back to nearly tie the Redskins in regulation. Linebacker Peter Noga's 60-yard interception return for a touchdown shaved the margin to seven points (28-21) with 12:07 left, but three successive St. Louis offensive series proved fruitless. Quarterback Shawn Halloran marched the Cardinals 82 yards on 11 plays in the final two minutes, including a four-yard completion to fullback Earl Ferrell who was tackled at the Washington four-yard line as time expired. St. Louis' defense was battered for 450 yards, with Redskins' wide receiver Anthony Allen catching seven passes for a club-record 255 yards, including touchdown grabs of 88, 48 and 34 yards.

The Cardinals equaled a NFL record with two fumble recoveries for touchdowns in beating the Saints at Busch Stadium. St. Louis was limited to four net passing yards (3-of-10), the fifth lowest total in club history and the second fewest yards since 1940. And to add insult to injury, the Cards set a franchise record with zero passing first downs. However on the positive side, cornerback Mark Jackson uncorked a 77-yard fumble return for a touchdown in the first quarter and strong safety Leonard Smith followed suit with a 29-yard fumble return for a score in the second period as the Cards breezed to a 17-6 halftime advantage. Jackson's 77-yarder was St. Louis' longest fumble return for a TD in 18 years and the third longest in club history. In all, the Cardinals induced four Saints' turnovers and blocked one PAT.

San Francisco 34 - St. Louis 28

Squandering a 21-7 second-quarter lead, the Cardinals fell victim to the passing artistry of Pro Bowl quarterback Joe Montana in losing a heart-banger in San Francisco. Montana dissected Gene Stallings' club with the precision of a surgeon in threading 31 of 39 attempts for 334 yards and four TDs. The 49er great tied a Cardinal opponent completion record in the process, equaling the 31 by Atlanta's Steve Bartkowski in 1980. His three-yard TD strike to tight end Ron Heller with 4:39 left broke a 28-28 deadlock and sealed the Cards' fate. In defeat, rookie free agent Derrick McAdoo squirmed free for 111 yards and three TDs on 23 carries for the Cardinals. He scored on runs of one, six and one yards in becoming the first Cardinal to rush for three TDs in a game in seven years (Wayne Morris at New Orleans, 10/5/80).

N.Y. Giants 30 - St. Louis 7

St. Louis was muzzled to only 51 yards on 19 carries by the Giants' stonewall defense in suffering a humiliating 30-7 loss. The Cardinals coughed up four turnovers (two fumbles, two interceptions) during the afternoon, including three first-half miscues that led to a 17-0 New York cushion at intermission. Only an 18-yard touchdown pass from Neil Lomax to tight end Jay Novacek with 1:55 left spared the embarrassment of a shutout. The Cards' passing defense was blistered for 253 yards and three TDs by Giants' quarterback Phil Simms, who completed 17 of 21 passes in another Super-Bowl-like performance. Lomax connected on 86.7 percent of his passes (15-17) for 172 yards and one TD in the second half.

Plunging into fourth place in the NFC Eastern Division standings with a 2-5 record, the Cardinals lost to the Eagles in the final seconds. Trailing 21-6 in the third quarter, St. Louis forged ahead with 17 unanswered points on a Jim Gallery career-best 43-yard field goal and Neil Lomax touchdown passes to wide receiver J.T. Smith (14 yards) and tight end Robert Awalt (8 yards). But the Cards' 23-21 lead was short-lived, as Philadelphia blazed 70 yards on eight plays in 60 seconds, with Randall Cunningham hitting wide receiver Gregg Garrity with a nine-yard scoring strike at the 0:50 mark for the game winner. The loss spoiled two brilliant receiving efforts by Smith (10-112, 1 TD) and Awalt (9-97, 1 TD).

Saddled with a 28-3 deficit after three periods, the Cardinals launched the greatest fourth-quarter comeback in NFL history in overhauling the Buccaneers with 28 unanswered points in the final 15 minutes. Quarterback Neil Lomax, who completed 69.4 percent of his passes (25-36) for 314 yards and three touchdowns on the afternoon, led the barrage with some celestial numbers in the fourth quarter. During that stanza alone, Lomax hit on 10 of 13 attempts for 164 yards and three TDs. And while the Cards were scoring four TDs in a 12-minute tizzy, their defense was suffocating Tampa Bay's offense. The Bucs were held to 34 yards on 11 plays during that stretch, with their three series ending in two punts and a James Wilder fumble that was recovered by St. Louis linebacker Niko Noga and returned 23 yards for a touchdown. Tampa Bay finally mounted a 10-play, 57-yard drive in the waning moments, but Donald Igwebuike's 53-yard field goal attempt kissed the crossbar on the game's last play.

L.A. Rams 27 - St. Louis 24

The Cardinals, helplessly watching the Rams launch a textbook 23-play, 94-yard drive in the final 11 minutes, were derailed by Mike Lansford's 20-yard field goal with no time remaining. St. Louis was flattened for a season-high 239 rushing yards by the Rams. Charles White led the ground assault, ramming inside for an all-time Cardinal opponent record of 213 yards on 34 carries (the old mark was 208 by Eric Dickerson at Busch Stadium, 11/4/84). Offensively, the Cardinals were paced by Mitchell's rushing (14-78, 1 TD) and Lomax's passing (18-27, 168 yds., 1 TD).

The Cardinals, clinging to NFL Wild-Card Playoff hopes, buried the Eagles with a 24-point second quarter. St. Louis, fueled by the golden touch of Neil Lomax, churned out 318 yards and 16 first downs in the first half enroute to an insurmountable 31-3 lead at intermission. It was the third-most points (31) ever scored by a Cardinal team in the first half, and marked the club's largest lead (28 points) in a game since 1983 (31-0 win vs. Philadelphia). Lomax completed 14 of 20 passes for 254 yards and three touchdowns during that first-half binge. Fullback Earl Ferrell rumbled for 76 yards on 14 carries, including a 35-yard touchdown gallop that was the longest run from scrimmage in his six-year career.

St. Louis 34 - Atlanta 21

The Cardinals thundered to a season-high 476 yards in defeating the Falcons, 34-21. It was a milestone win for the Cards, marking the first time they have scrolled back-to-back wins during Gene Stallings' two-year tenure as head coach. What's more, it was the club's first two road victories in succession since 1984. Neil Lomax carved up the Falcons for 279 yards and two touchdowns on 16-of-25 passing in propelling St. Louis to a 24-14 halftime edge. It was Lomax's second-most productive half of his career. His prime receiver was J.T. Smith, who tied a career-high with 10 catches for 109 yards. Earl Ferrell rushed for 58 yards on 13 carries, including a pair of one-yard touchdown runs. Ferrell, however, stretched ligaments in his left knee in the second half, sidelining him for the remainder of the season.

Washington 34, St. Louis 17

St. Louis saw a 14-10 halftime lead disintegrate as the Redskins clinched the division title with a 21-point third quarter flurry at Busch Stadium. The Cardinals assumed eye-bulging leads in first downs (16-3), yardage (237-130) and time of possession (19:37-10:23) by intermission, but Washington stormed off the deck with 145 rushing yards in the final half. Halfback Stump Mitchell starred in defeat, rushing for 101 yards on 20 carries, and catching a three-yard touchdown pass from Neil Lomax. But the Redskins received sterling performances by running back George Rogers (30-134 rushing) and wide receiver Gary Clark (5-130, 1 TD).

St. Louis 27 - N.Y. Giants 24

The Cardinals, buoyed by Stump Mitchell's season-high 111 yards rushing and Vai Sikahema's 76-yard punt return for a touchdown, zoomed to a 27-10 halftime lead and then repelled a late Giants' rally in hoisting their record to 6-7. With his 111-yard outburst, Mitchell became the first player to rush for 100 yards against the Giants' regulars in 36 games (Eric Dickerson, 24-101, 11/3/85). His effort also marked the first time a Cardinal back had strung together consecutive 100-yard rushing days since Ottis Anderson in 1983. Sikahema was brilliant on special teams, returning two punts for 96 yards, and returning two kickoffs for 67 yards. Reserve safety Travis Curtis intercepted his fifth pass of the season, with his theft squelching the Giants' final drive with 1:35 left.

St. Louis 31, Tampa Bay 14

St. Louis reeled off 31 unanswered points to erase an early 7-0 deficit enroute to a convincing 31-14 win at Tampa Bay. It was the Cards' largest margin of victory in three years (33-10 at New England, 12/2/84) and marked the first time they had won three straight road games since 1982. Quarterback Neil Lomax threaded 22 of 29 passes for 233 yards and three TDs, and completed 16 of his final 17 attempts. During the torrid stretch, he connected on 12 passes in a row to equal the club record he previously shared with Jim Hart. Other individual highlights included wide receiver J.T. Smith tying his own club single-season reception record (80) with five catches for 54 yards vs. Tampa Bay, and halfback Stump Mitchell equalling the Cardinals' all-time record for most consecutive 100-yard rushing games with his third straight century effort (23-101). Defensively, where it forced four Buccaneer turnovers and sacked Vinny Testaverde six times, St. Louis received sterling performances from cornerback Cedric Mack (3 tackles, 3 pass def., 2 fum. rec., 1 intc.), end Freddie Joe Nunn (three sacks) and linebacker E.J. Junior (4 tackles, 1 sack, 1 intc., 1 forced fum.).

Trailing 21-16 and facing a second-and-nine from the Dallas 22-yard line with two minutes remaining, the Cardinals appeared on the threshold of their first playoff appearance since 1982. But a 10-yard penalty for an illegal man downfield, followed by an incompletion, an eight-yard sack, and another incompletion, and coach Gene Stallings' club returned to St. Louis with an ulcerating five-point loss. The Cards out-gained Dallas by whopping margins in yards (422-285), first downs (26-17) and time of possession (33:45-26:15). But in a game that mirrored the 1987 campaign, it was missed opportunities that deprived St. Louis. Six times they ventured to the Cowboys' 20-yard line, and only once did the Cardinals cash in a touchdown. In defeat, Neil Lomax passed for 314 yards in completing 28 of 54 attempts, while J.T. Smith caught a career-high 11 passes for 102 yards, and Roy Green added seven catches for 112 yards.
